no name is fine — write “not sure yet”

MODERATOR · NIGHT ORDER

1. **NIGHT FALLS**
   "Heads down, eyes closed, absolute silence."
2. **WEREWOLVES**
   "Wolves, open your eyes. Point together at one victim." Nod. "Close your eyes."
3. **DETECTIVE**
   "Detective, open your eyes. Point at one player." Thumb up = WOLF, thumb down = innocent. "Close your eyes."
4. **DOCTOR**
   "Doctor, open your eyes. Point to protect — not the same player twice in a row." Nod. "Close your eyes."
5. **DAWN**
   "Village, wake up!" Announce who died — or "the doctor saved them, nobody died."

THE DAY

— 60 sec silence → 5 min debate (talking object, timer rules)

— Every accusation needs a BECAUSE

— Ballot slips → count aloud → majority is eliminated

— Tie = nobody dies · eliminated = one last sentence, then silence

CHECK THE WIN

All wolves gone → VILLAGE WINS
Wolves ≥ villagers → WOLVES WIN

You never play. You never hint. You are the referee.

TEAM: WOLVES

3 of 28 in play

WEREWOLF

NIGHT

Wake with the pack. Point together at one villager to eliminate.

DAY

Blend in. Deflect. Vote like a villager.

YOU WIN

when wolves match the living villagers.

TEAM: VILLAGE

1 of 28 in play

DETECTIVE

NIGHT

Wake alone. Point at one player. The moderator answers: thumb UP = wolf, thumb DOWN = innocent.

DAY

Guard your secret. Reveal too early and the wolves kill you at dawn.

TEAM: VILLAGE

1 of 28 in play

DOCTOR

NIGHT

Wake alone. Point at one player to protect. If the wolves attacked them, nobody dies.

RULES

Not the same person twice in a row. You may protect yourself.

TEAM: VILLAGE

23 of 28 in play

VILLAGER

NIGHT

Sleep. You have no powers.

DAY

Ask questions. Track stories. Vote the wolves out.

HOW THE GAME ENDS

Village wins when every wolf has been voted out.

Wolves win when they equal or outnumber the living villagers.

One round = night (90 sec) + day (60 sec silence, 5 min debate, vote). Play 3–5 rounds.
